I tremble inside just thinking 'bout the world around us
Sacred, can't help to wonder
Don't want any changes 'bout the way we feel do you
know what I mean, oh
Catch me I'm falling say it's gonna be alright, it's
gonna be alright

I know that we belong, do you believe in us
Just give it half a chance
Yes our love will still be strong
Girl I believe in us I'll give you all I can, oh, oh

Time has redefined the meaning of love
Love, the way we know it, love, the way we show it
I don't want any changes when it comes to you
I like us the way it is no matter what happens
Say it's gonna be alright, it's gonna be alright

I know that we belong do you believe in us
Just give it half a chance
Yes our love will still be strong
Girl I believe in us I'll give you all I can

I don't want any changes
Forever ain't long enough, baby
Nothing can change us
Say it's gonna be alright, it's gonna be alright

I know we belong do you believe in us
Just give it half a chance
Yes our love will still be strong
Girl I believe in us I'll give you all I can

I know that we belong do you believe in us
Just give it half a chance
Yes our love will still be strong
Girl I believe in us I'll give you all I can

I know that we belong do you believe in us
Just give it half a chance
Yes our love will still be strong
Girl I believe in us I'll give you all I can
