"Heaven Is You"

It's not your body, no
It's all in your style
Your warm and gentle personality
Is so beautiful, darling, yes it is

Prayed for a perfect love then I met you
Sent as an angel to make my life new
God made the Heavens and placed them above
But he left some heaven on earth

Heaven is, heaven is you
'Cause you make me feel so good, darling
Heaven is, heaven is you
Heaven

Hold me tight in your arms everything feels alright
And when you look into my eyes and say
"I'm gonna love you till the day that I die"
I know that this is heaven

Prayed for a perfect love then I met you
Sent as an angel to make my life new
God made the Heavens and placed them above
But he left some heaven on earth

Heaven is, heaven is you
'Cause you make me feel so good
Heaven is, heaven is you

Ask me the question, I can't tell a lie
'Cause your love to me is pure paradise
Take me right now I'm yours anytime
'Cause you're my happiness, you're my heaven

Prayed for a perfect love then I met you
Sent as an angel to make my life new
God made the Heavens and placed them above
But he left some heaven on earth

Heaven is, heaven is you
'Cause you make me feel, make me feel so good
Heaven is you, heaven is you

Everything you do, darling

Heaven is, heaven is you, baby
'Cause you make me feel, make me feel so good,
darling

Heaven is you, heaven is you
Everything you do, oh baby

Everything, everything
Everything you do, darling
Everything, everything
Everything you do, darling

But he left some heaven on earth
And that's you
