The sunrise within
That leads to nowhere
Sometimes I feel that way
But my heart is filled
With you inside
When I feel your presence
In my mind.

I live for you
Stay with me forever
Didn't meant to leave you waiting
And so you've heard
A vow of love becomes a promise
So here's my promise
I'll always love you.

Moments in time
With empty feelings
Seems there's nowhere I could hide
And then I found you to make me strong

Now I belong to you.

I live for you
Stay with me forever
Didn't mean to leave you waiting
And so you've heard
A vow becomes a promise
So here's my promise
I'll always love you.

Deep in my soul I had to choose
Well now you know the truth.

I live for you
Stay with me forever
Didn't mean to leave you waiting
And so you've heard
A vow becomes a promise
So here's my promise
I'll always love you.
