Taking a day at a time
Dealing with feelings I don't wanna hide
Learning to love as I go, baby
Without taking you along for a ride.

Tried to find myself
Tried to find the truth
Get out from this shell
Girl I'm almost there
To show you how much I really care.

[Chorus]
If you go say goodbye
There'll be something missing in my life
'Cause you know
That all I really (all I really) want is you.

Sorry if you felt misled
But I know what I feel, I know what I said, baby
God I hope you believe, believe in all that we can be
The future in us together in love.

You're the reason I'm strong
Don't you think I don't know
This is where I belong

Give me the time
To say that you're mine, to say that you're mine.

[Chorus]
If go you say goodbye
There'll be something missing in my life
'Cause you know
That all I really (all I really) want is you.

Tried to find myself
Tried to find the truth
Get out from this shell
Girl I'm almost there
So let me show you, so let me show you.

[Chorus]

If you go say goodbye
There'll be something missing in my life
'Cause you know
That all I really (all I really) want is you.

[Chorus]

If you go say goodbye
There'll be something missing in my life
'Cause you know
That all I really (all I really) want is you.
