Mornings alone
When you come home
I breathe a little faster
Everytime we're together
I'd never be the same
If you're not here
How can you stay away, away so long

Why can't we stay together
Give me a reason
Give me a reason

Chorus:
I, I don't wanna say it
I don't wanna find another way
To make it through the day without you
I, I can't resist
Trying to fins exactly what I miss
It's just another day without you
It's just another day

Making the time
Find the right lines
To make you stay forever
What do I have to tell you
I'm just trying to hold on to something
(Trying to hold on to something good)
Give us a chance to make it

Don't wanna hold on to never
I'm not that strong
I'm not that strong

I, I don't wanna say it
I don't wanna find another way
Make it through the day without you
I, I can't resist
Trying to find exactly what I miss
It's just another day without you

Why can't you stay forever
Just give me a reason

Give me a reason

Chorus Repeats

Otro Dia Mas Sin Verte

Solo al pensar
Que cuando no estas en mis brazos
Quiero amarrarte a mi
Y no entiendo
Como puedes estar sin mi
Yo quiero estar contigo
No se porque, dime porque

Ya, ya no puedo mas
Ya me es imposible soportar
Otro dia mas sin verte
Ven, dame una razon
Si es algo que no tiene solucion
Es otro dia mas sin verte

Nada que hacer
Palabras tal vez que puedan detenerte
Que tengo que decirte
Para que no te vayas
No te separes mas de mi
Hazme el favor y dime
Dime que puedo hacer mi amor

Te tengo y no tengo nada
Estoy tan cansado de estar separados

Ya, ya no puedo mas
Ya me es imposible soportar
Otro dia mas sin verte
Ven, dame una razon
Si es algo que no tiene solucion
Es otro dia mas sin verte
