I'm in love with you baby

Yeah

One touch, I feel the hunger

What is this spell I'm wonder

My head's in my heart

I should walk away

But I wanna stay

My feelings are closely guarded

No risk, no broken heart and

No way this emotion

Can sweep me away

Then I see your face

My weakness is growing stronger

Thought I could hold out longer

Chorus

Love's about to change to my mind

Make me blind

And dive into the deep and

Love's about to change to my mind

I see the signs

I'm falling in love again

(Falling in love again)

I'm in love with you baby  
I thought I knew this power

Lived through my finest hour

Experienced all

But I found I was wrong

When you came along

Sure as the wind is blowing

I know where this is going

Chorus

Love's about to change to my mind

Re-define

And finally make some sense

Love's about to change to my mind

You're the reason why

I'm falling in love again

(Falling in love again)

I'm in love with you, baby

'Cause you're the reason

You're the reason why

Chorus

Love's about to change to my mind

Re-define

And finally make some sense

Love's about to change to my mind

You're the reason why

I'm falling in love again

(Falling in love again)

I'm in love with you, baby

Fade
