Here I am, broken wings  
Quiet thoughts, unspoken dreams  
Here I am, alone again  
And I need her now to hold my hand

She's all, she's all I ever had  
She's the air I breathe  
She's all, she's all I ever had

It's the way she makes me feel  
It's the only thing that's real  
It's the way she understands  
She's my lover, she's my friend

And when I look into her eyes  
It's the way I feel inside  
Like the man I want to be  
She's all I ever need

So much time, so much pain  
But there's one thing that still remains  
It's the, the way she cared the love we shared  
And through it all she's always been there

She's all, she's all I ever had  
In a world so cold, so empty  
She's all, she's all I ever had

It's the way she makes me feel  
It's the only thing that's real  
It's the way she understands  
She's my lover, she's my friend

And when I look into her eyes  
It's the way I feel inside  
Like the man I want to be  
She's all I ever need

She's all, she's all I ever had  
It's the way she makes me feel  
It's the only thing that's real  
It's the way she understands

She's my lover, she's my friend  
And when I look into her eyes  
It's the way I feel inside  
Like the man I want to be  
She's all I ever need

She's all I ever need  
When I look into her eyes  
It's the way I feel inside  
Like the man I wanna be  
She's all I ever need  
Here I am
