Chorus

Stop

Tell me what you're thinking

I can read your body

Sex me with your mind

I, I know what you're feeling

Let me be your shelter

Stay with you tonight

I wanna take you to another place and time

So I can feel you

Move and breath all

Over me inside

Don't be afraid to

Tell me how you wanna feel

Tell me what you want

And baby I will make it real

Chorus

Stop

Tell me what you're thinking

I can read your body

Sex me with your mind

I, I know what you're feeling

Let me be your shelter

Stay with you tonight

Chorus

I wanna give you todo mi amor

You are my love, mi corazon

Dame tu amor, I'll never let it go

Don't let it slip away

I wanna give you todo mi amor

You are my love, mi corazon

Dame tu amor, I'll never let it go

Don't let it slip away

Look into my eyes

And tell me what you wanna see

I promise I will make your

Wish come true if you believe

When I look at you

I know exactly what I need

If you tell me what you want

I'll show you what I got in me

Chorus

Stop

Tell me what you're thinking

I can read your body

Sex me with your mind

I, I know what you're feeling

Let me be your shelter

Stay with you tonight

Chorus

I wanna give you todo mi amor

You are my love, mi corazon

Dame tu amor, I'll never let it go

Don't let it slip away

I wanna give you todo mi amor

You are my love, mi corazon

Dame tu amor, I'll never let it go

Don't let it slip away
