Girl, i know that it ain't easy  
Everytime that i say goodbye  
But shawty, im feelin the same way too  
But i do what i gotta do  
Girl, i know that it ain't easy  
Everytime that i say goodbye  
But shawty, im feelin the same way too  
But i do what i gotta do

You gotta understand i'm doing it for the greater good  
Let it be understood  
I would stay if i could..  
It ain't all about the stacks of cash  
I'm tryin to build a better life  
So i can't let this chance pass  
They come fast, then they gone like lightining  
A chance like this coming twice is unlikely  
it's now or never, I'm hoping that you'll stick around  
Cuz when the storm dies down  
It'll be like right now  
Minus all the stress, thats financial distress  
No more losing sleep, we can finally rest  
And i know you been thinkin bout kids and such  
Well i been thinkin bout um too  
thats why i grind so much  
But girl its time to trust  
that i ain't dippin cuz i wanna  
You kno i'd trade it all  
I'm just doin what i gotta  
Even though it's hard i need to follow my heart  
And girl, its far from being easy everytime that we part

Girl, i know that it ain't easy  
Everytime that i say goodbye  
But shawty, im feelin the same way too  
But i do what i gotta do  
Girl, i know that it ain't easy  
Everytime that i say goodbye  
But shawty, im feelin the same way too  
But i do what i gotta do

Oh believe me it ain't easy but it gonna be worth it  
I put in time to get the shine, i kno i deserve it  
So don't try and curb it cuz i gotta live this dream  
Cuz if i don't i'll spend my days wonderin what i coulda  
seen  
And that don't mean i ain't happy with the way it is  
It's just i want it better for the future and the dateless  
kids  
So what i'm sayin is i need you to be there for me  
How else i gunna suceed if you aint there to take care  
of me  
They say behind every great man is a great woman  
And i believe that to the fullest in what im doin  
And its the same in anything that you choose to do  
Like graduation, and you're facin leaving for another  
school  
And its hard becuz u dont wanna leave em  
And you feel that you need em  
Same time you got you dreams &  
You gotta make this decision on what best for you  
And in the end, in what you persue, do what u gotta do

Girl, i know that it ain't easy  
Everytime that i say goodbye  
But shawty, im feelin the same way too  
But i do what i gotta do  
Girl, i know that it ain't easy  
Everytime that i say goodbye  
But shawty, im feelin the same way too  
But i do what i gotta do

Girl i gotta leave ya, But i'll be back real soon  
Its just sumthin that i gotta do  
Girl i gotta leave ya, But i'll be back real soon  
Its just sumthin that i gotta do
