BREAKDOWN (JON YOUNG):
WHEN THANGS SEEM IMPOSSIBLE
U GOTTA REALIZE ANYTHING IS POSSIBLE

SO
KEEP GRINDIN
LISTEN 2 U HEART
HOLD YASELF TOGETHER
Don't FALL APART

VERSE 1 (JON YOUNG):
Been in the game 4 years
Good times & plenty tears
I done seen it all
Pure hate
To standin cheers

Yea it's a long road
Anything worth sumthin iz
Thought of quittin
Yea i have
But i aint the type to quit

Im from a region
That was over looked for too long
So my struggle's that much harder
Thank im leavin
Boy ya wrong

I gotta fanbase
And i aint even on a label
Im pushin units
Make bread right under the table

Now what that tell ya
Tha south aint even close to fihished
We got talent
And we grindso this aint eva endin

So all my potnas in tha O
If u tryna make it
Jus keep grindin

'cause ours for the takin

VERSE 2 (J CASH):

You gotta listen to your heart if you got some.
Gotta give it all if you really want something.
Ya can't hold back, gotta go full on.
And if ya fail then that don't make you a fool dogg.

It aint easy, believe me, I know you know me.
I came from nuttin to suttin and I keep growing.
Not just from flowing, but homie from my life too.
Make something of yourself, be a man, get it right
dude.

The fast money, the cash money, it sound cool.
But where ya gonna go when you don't finish high
school?
Now I aint trying say don't get your hustle on.
If you do, that's cool, but it's a struggle dogg.

So make the smart choices, try to do what seems best.
This a test so live for you homie bump the rest.
Look out for number one, and when it's hard to smile.
Remember all along the fight is always worth the while
