VERSE 2 (J CASH):

You gotta listen to your heart if you got some.
Gotta give it all if you really want something.
Ya Cant hold back, gotta go full on.
And if ya fail then that dont make you a fool dogg.

It aint easy, believe me, I know you know me.
I came from nuttin to suttin and I keep growing.
Not just from flowin, but homie from my life too.
Make something of yourself, be a man, get it right
dude.

The fast money, the cash money, it sound cool.

But where ya gonna go when you dont finish high school?

Now I aint trying say dont get your hustle on.

If you do, thats cool, but its a struggle dogg.

So make the smart choices, try to do what seems best.

This a test so live for you homie bump the rest.

Look out for number one, and when its hard to smile.

Remember all along the fight is always worth the while.
