Oh
you never keep me waiting

Never need for complaining

You got a lot of understanding -
Oh Babe
you are amazing.
And I like you a lot 'cos you do not make me run

You're the best I ever had 'cos you take me as I come.
Louise
I love you
I love you
oh Louise

Louise
I love you
I love you
oh Louise

Louise
I love you
I love you
oh Louise

Louise
I love you
I love you
oh Lou.
I feel fine got no sorrow

I cannot wait for tomorrow

When I am seeing my girl and we are gonna go on the
town

I'm gonna hold her hands and look at her and shout!
You're the one I like 'cos we get it right.
Louise
I love you
I love you

oh Louise

Louise

I love you

I love you

oh

oh Lou.

We get it right

get it all right!

Oh - I hope it never goes wrong. -

'cos we get it

'cos we get it

ah !

'cos we get it right.

We're in the groove when we go out

Show her off to my friends and crowd

And at the palindrome we dance and have some drinks

And then she puts her arms around me and says that

she loves I

You're the one I like

'cos we get it

'cos we get it

ah !

'cos we get it right.

Louise

I love you

I love you

oh Louise
