I'm no good at chatting up and always get rebuffed  
Enough to drive a man to drink, I don't do no washing  
up  
I always reached the stuff piled up, piled up in the sink

But you will always find him in the kitchen at parties

Me and my girlfriend we argued and she ran away  
from home  
She must have found somebody new and now I'm all  
alone  
Living on my own, what am I supposed to do?

That's why you'll always find him in the kitchen at  
parties  
You will always find him in the kitchen at parties  
You will always find him in the kitchen at parties

Then I met this debutante, I said that I like new wave  
rock  
She was into French cuisine but I ain't no Cordon Bleu  
This was at some do in palmer's green, I had no luck  
with her

You will still find him in the kitchen at parties  
You will still find him in the kitchen at parties

At last I met a pretty girl, she laughed and talked with  
me  
We both walked out of the kitchen and danced in a new  
way

And now I've done my time in the kitchen at parties  
I've done my time in the kitchen at parties

He's done his time in the kitchen at parties  
He's done his time in the kitchen at parties  
He's done his time in the kitchen at parties  
He's done his time in the kitchen at parties
