Feel your power
Feel your fury
Feel your glory
It's all over me

Your invitations got me prisoned,
Got me chained, I don't want to ever leave.

You're my end, Yeah, you're my beginning!
You're my everything
You will be the death and life
You're my end, Yeah, you're my beginning!
You're my everything,
You will be the death of life and me!

Seems you're jealous
Seems you're longing
Seems you're zealous to own all of me...

Seems I'm reckless
Seems I'm helpless
I'm consumed with the thought of know you...

(You're my end)
(You're my beginning)

You're my end, Yeah, you're my beginning!
You're my everything,
You will be the death of life.
You're my end, Yeah, you're my beginning!
You're my everything,
You will be the death of life.

Where else could I go?
Don't even think about it!
All you have: the words of life!
Where else could I go,
Where you couldn't find me?

You will be the death and life
You will be the death and life
You will be the death and life

You're my end, Yeah, you're my beginning!
You're my everything,
You will be the death of life.
You're my end, Yeah, you're my beginning!
You're my everything,
You will be the death of life...

Of me!
Of me...
You will be the death of life
Of me...
Oh!
You will be the death of life
You will be the death of life
You will be the death of life of me!
