### "Dying To Live"

Come on, come on, let's rise from the ashes  
Let's forget about yesterday  
Come on, come on, let's run for daylight  
Maybe we can find a better way

So run with me  
We're dying to live  
Dying to love  
Dying to be everything we've dreamed of  
Starving for hope  
Searching for change  
And we'll fight until the end  
We're dying to live

Let's bet all we have on one last shot  
May our hearts burn with fire  
We'll keep pressing on, no this is not the end  
It's time to take back life

So run with me  
We're dying to live  
Dying to love  
Dying to be everything we've dreamed of  
Starving for hope  
Searching for change  
And we'll fight until the end

We're dying to live  
Dying to love  
Dying to be everything we've dreamed of  
Starving for hope  
Searching for change  
And we'll fight until the end

We're dying, we're dying, we're dying to live

We're dying to live  
Dying to love  
Dying to be everything we've dreamed of  
Starving for hope

Searching for change  
And we'll fight until the end

We're dying to live  
We're dying, we're dying, we're dying to live
