How long has it been now,
Since I called you by name?
Since I felt your presence
In the midst of all my pain?

How long has it been now,
That I tried it all my own way
I need to be broken
So I look to you and say...

Make me shine
(Rekindle the flame within my soul)
Renew my love for you,
For you are the only one
That can make me shine
(Like the sun)
Rekindle the flame within my soul
Make me shine

You long to save me
You're the author of my life
But without you or Jesus,
I am not alive!

Make me shine
(Rekindle the flame within my soul)
Renew my love for you,
For you are the only one
That can make me shine
Make me shine...
Make me shine!

Make me shine..
Make me shine!
Like the sun.

Renew my love for you,
For you are the only one
That can make me shine
(Rekindle the flame within my soul)
Renew my love for you
For you are the only one

That can make me shine
Make me shine
(Rekindle the flame within my soul, make me shine)
Make me shine...

Rekindle the flame within my soul...
