When I let myself believe in me  
I feel my faith become riddled with disease  
I remember the day You spoke my name  
You said, "Come, follow me"  
But my stand is weak, I feel ashamed  
I say, "Don't bother me"

Too much of me and not enough of You  
Put me in this mud that I'm crawling through, yeah  
I need You to free me from this impurity, impurity  
Yeah, yeah, yeah

So I'll crawl to You  
So full of shame  
I know You're there for me  
But it doesn't feel the same, feel the same

Too much of me and not enough of You  
Put me in this mud that I'm crawling through, yeah  
I need You to free me from this impurity, impurity  
Yeah, yeah, yeah  
There's too much of me  
Yeah, yeah, yeah

You take me by the hand and reveal to me  
Why You created me  
Now I understand why, why You've been called  
The King of Kings

Too much of me and not enough of You  
Put me in this mud that I'm crawling through, yeah  
I need You to free me from this impurity, impurity

Too much of me and not enough of You  
Shoved me in this hole and I'm calling You, yeah  
I need you to free me from this impurity, impurity  
Yeah, yeah, yeah

There's too much of me  
Yeah, yeah, yeah  
There's too much of me  
Yeah, yeah, yeah

Yeah, yeah
