chorus:

This time I'm a little bit angry at love but I swear
I'm coming back again
Two times you shot me down lady love but I swear
I'm coming back again

verse1:

I think it's time to change my eyes
Lookin' to see you lady
In a brand new light
It might be time to free my mind
Thinkin' about love baby
Like we've been doin' time

verse2:

I think this needs a change of hands
To make me feel honey, like your brand new man
I think we need a change of heart
To beat the odds of love and bring this thing back to
the start
