Broken memories
Come back to me
Close my eyes and
Your face is all I see

Put away your pictures
But their shadows
Still remain upon my wall
Said you loved me
Did you?
Did you take away more
Than nothing at...

All that you left
You left undone
And untied
Somewhere do I still hold a place
In your mind?

So tell me what you're dreaming
Is it in color or in black and white?
Sometimes living is about leaving
Oh well this too small pass in time
Yes this too small pass in time

Broken memories
Come back to me
Shut down my heart
But your love is haunting me

Put away your makeup
Standing naked
For this final curtain call

All that you left
You left unsung
And untied
Somewhere do I still hold a place
In your mind?

So tell me what you're dreaming

Is it in color or in black and white?
Sometimes living is about leaving
Oh well this too small pass in time
Yes this too small pass in time

So tell me what you're dreaming
Is it in color or in black and white?
Sometimes living is about leaving
Oh well this too small pass in time

So tell me what you're dreaming
Is it in color or in black and white?
Sometimes living is about leaving
Oh well this too small pass in time
Yes this too small pass in time
This too small pass in time
