She's the kinda girl that you see in the movies  
Seen her in my dreams and now she's standing next to  
me

Down by the shore first weekend of the summer  
Gotta take chance and just ask for her number  
I wish I had a song on MTV  
Cause in crowded room I'd be the only one she sees  
She's looking bored and now I'm running out of time  
I've only got six minutes if I'm gonna make her mine

One minute and the earth begins to shake  
Two minutes and my hearts begins to break  
Another minute and she makes me feel brand new  
That's just three minutes with you  
Four minutes and she's everything I see  
Five minutes and she's were I wanna be  
Another minute everything just feels so new  
I need six minutes with you  
Six minutes

She's looking at her watch while the DJ is spinning  
This could be the end or it's just the beginning  
She's the kinda girl that I wanna know better  
Reaching for her keys so I guess it's now or never  
I wish that I was on the radio  
I'd sing her favorite song she'd be front row at every  
show  
This party's lame and now I'm running out of time  
I've only got six minutes if I'm gonna make her mine

One minute and the earth begins to shake  
Two minutes and my hearts begins to break  
Another minute and she makes me feel brand new  
That's just three minutes with you  
Four minutes and she's everything I see  
Five minutes and she's were I wanna be  
Another minute everything just feels so new  
I need six minutes with you  
Six minutes

Sometimes I feel like the catcher in the rye  
Sometimes I wish that I could catch her eye

Sometimes I wish that I could be that guy, yeah  
Time is passing by  
I'm losing my mind  
I need 1, 2, 3, 4, 5, 6 minutes with you

One minute and the earth begins to shake  
Two minutes and my hearts begins to break  
Another minute and she makes me feel brand new  
That's just three minutes with you  
Four minutes and she's everything I see  
Five minutes and she's were I wanna be  
Another minute everything just feels so new  
I need six minutes with you  
Six minutes
