Got the news today  
Doctor said I had to stay  
A little bit longer  
And I'll be fine  
When I thought it'd all been done  
When I thought it'd all been said  
A little bit longer  
And I'll be fine

But you don't know what you got  
'Till it's gone  
And you don't know what it's like  
To feel so low  
Every time you smile or laugh you glow  
You don't even know  
No no  
You don't even know

All this time goes by  
Still no reason why  
A little bit longer  
And I'll be fine  
Waitin' on a cure  
But none of them are sure  
A little bit longer  
And I'll be fine

But you don't know what you got  
'Till it's gone  
And you don't know what it's like  
To feel so low  
And every time you smile or laugh you glow  
You don't even know  
No no  
You don't even know  
No no  
You don't even know  
No no

Two, three, four!

Yeah!

And you don't know what you got  
'Till it's gone  
And you don't know what it's like  
To feel so low  
And every time you smile or laugh you glow  
You don't even know  
No  
Yeah  
Woah!

[Oooohhh]

So I wait 'till kingdom come  
All the highs and lows are gone  
A little bit longer  
And I'll be fine  
I'll be  
Fine

[Additional lyrics]

So I'm finally here today  
You've touched me here today  
And I wish that I could stay  
A little bit longer  
And I will be fine
