He's cool, he's hot like a frozen sun
He's young and fast, he's the chosen one

People, we're not braggin'
He's the American Dragon

He's gonna stop his enemies with his dragon power
Dragon teeth, dragon tail, Burnin' dragon fire
A real live wire

American Dragon!!

"Dragon Up!"

American Dragon!!

"Oh, oh, oh, woah!"

He's the American Dragon
(Break down with the Dragon)

His skills are getting faster with Grandpa the master
His destiny will walk up streets
Showtime, baby, for the legacy!!

American Dragon!!
From the "J" to the "A" to the "K" to the "E"!! I'm the
Mackdaddy
Dragon of the NYC, ya heard??

He's the American Dragon!!

(Shouted)
Jake, get back to work!!
Aw, man!!
