And there's a man dying on the side of the road,
Won't make it home tonight.
He was driving fast on his cellphone,
That's how he lived his life, mmmm
while he was hangin' by a thread
these were the final words he said

Chorus:

My girl turned sweet sixteen today,
She's beautiful, so beautiful.
It might get rough sometimes
but I hope she keeps her faith.[hope she keeps her
faith]
I wish I grabbed the chance to say to her
Life is too short so take the time and appreciate

and there's a women crying on the kitchen floor,
She got a call tonight.
Now she's trembling outside her daughter's door
Walks in and holds her tight, mmm
Wondering how or where to start,
Is there a way to shield her heart?

Chorus:

My girl turned sweet sixteen today,
She's beautiful, so beautiful.
It might get rough sometimes but I hope she keeps her
faith.(hope she keeps her faith)
I wish I grabbed the chance to say to her
Life is too short so take the time and Appreciate

Anybody lovin' will [lovin' will, lovin' will]
Get hurt along the way
Don't be afraid to open up [open up, open up]
And use the time you have before it fades
Show your love today

My girl turned sweet sixteen today,
she's beautiful, so beautiful.
it might get rough sometimes
but I hope she keeps her faith. [hope she keeps her

faith]
I wish I grabbed the
chance to say to her
Life is too short so take that time and appreciate.
Life is too short so take that time and appreciate
