There's a man dying on the side of the road  
Won't make it home tonight  
He was driving fast on his cell phone  
That's how he lived his life  
While he was hanging by a thread  
These were the final words he said

"My girl turns sweet sixteen today  
She's beautiful, so beautiful  
It might get rough sometimes  
But I hope she keeps her faith"  
(Hope she keeps her faith)

I wish I grabbed a chance  
To say to her  
Life is too short  
So take the time and appreciate

There's a women crying on the kitchen floor  
She got a call tonight  
Now she's trembling outside her daughter's door  
Walks in and holds her tight  
Wondering how and where to start  
Is there a way to shield her heart?  
My girl turns sweet sixteen today  
She's beautiful, so beautiful  
It might get rough sometimes  
But I hope she keeps her faith  
(Hope she keeps her faith)

I wish I grabbed a chance  
To say to her  
Life is too short  
So take the time and appreciate

Any but a loving way  
Get hurt along the way  
Don't be afraid to open up  
And use the time you have  
Before it fades  
Show your love today

My girl turns sweet sixteen today  
She's beautiful, so beautiful  
It might get rough sometimes  
(It might get rough sometimes)  
But I hope she keeps her faith  
(Hope she keeps her faith)

I wish I grabbed a chance  
To say to her  
Life is too short  
So take the time and appreciate  
Life is too short  
So take the time and appreciate
