### "Before The Storm"

(feat. Miley Cyrus)

Yeah-ah-ah

Whoa-oh-oh-oh

No this isn't what I wanted  
Never thought it'd come this far  
Thinkin' back to where we started  
And how we lost all that we are  
We were young and times were easy  
But I could see it's not the same  
Standing here but you don't see me  
Give it all for that to change  
I don't want to lose her  
Don't want to let her go

Standing out in the rain  
Need to know if it's over  
Cause I would leave you alone  
I'm flooded with all this pain  
Knowing that I'll never hold her  
Like I did before the storm  
Yeah-ah-ah  
Before the storm

With every stike of lightning  
Comes a memory that lasts  
Not a word is left unspoken  
As the thunder starts to crash  
Maybe I should give up

Standing out in the rain  
Need to know if it's over  
Cause I would leave you alone  
I'm flooded with all this pain  
Knowing that I'll never hold her  
Like I did before the storm

I'm trying to keep the lights from going out  
And the clouds from ripping out my broken heart  
They always say a heart is not a home

Without the one who gets you through the storm

Standing out in the rain  
Knowing that it's really over  
Please don't leave me alone  
I'm flooded with all this pain  
Knowing that I'll never hold ya  
Like I did before the storm  
Yeah  
Like I did before the storm
