Every night I want you here
Never thought I could
Feel it like that, feel it like this
Feeling like everybody knows that we
Got something real, shorty.
I know what I feel,
Its something like that, its something like this.
Its something that everybody knows but you.
Here it goes

Cuz I never really noticed
Took a while for me to see.
I'm playing back the moment,
Now I'm starting to believe
And you could be at the show, know everyone
But it's you that makes me sing
I know where we are,
But I know who I am.
Baby, I'm your biggest fan.

Oh

It's like every time you smile at me
It takes me a while to pull myself back
And after all that
And I just had to let you know that I'm
Screaming out in the crowd for you.
I can't be too loud cause I don't care, let them all stare
I just want everyone to know the truth.
It's only you.

I never really noticed
Took a while for me to see (While for me to see)
I'm playing back the moment,
And I'm starting to believe
But you could be at the show, know everyone
But it's you that makes me sing
I know where we are,
But I know who I am.
Baby, I'm your biggest fan.

You showed up, you looked so classy.
Made me think twice bout the way I was acting.
You were there from the start of it all
Like a dream came to life, now I'm left in awe.
Stars shine but your light is the brightest.
And love flies, but your love is the highest.
So sweet and it drives me crazy.
A summer like no other, you my LA baby

No I never really noticed
Took a while for me to see (While for me to see)
I'm playing back the moment
And I'm starting to believe
But you could be at the show, know everyone
But it's you that makes me sing
I know where we are,
But I know who I am.
Baby, I'm your biggest fan.

Oh
Baby, I'm your biggest fan.
Oh

Cause you could be at the show, know everyone
But it's you that makes me sing
I know where we are,
But I know who I am.
Baby, I'm your biggest fan.
