There's a storm coming up and I gotta prepare myself.
'Cause this feeling's getting stronger everyday.

Something's creeping inside
Everything is about to change.
Gotta face the fact that I can't walk away.

This is critical,
I am feeling helpless.
So hysterical, and this can't be healthy.
I can't eat or sleep
When you're not with me.
Baby, you're the air I breathe.
This is critical, yeah.
So stuck on you.

Used to have everything figured out, but it's different
now.
When you came, you saw, you conquered my heart.

It's your laugh and your smile;
Wanna stay for a little while.
I don't wanna go,
I just want you in my arms.

This is critical,
I am feeling helpless.
So hysterical, and this can't be healthy.
I can't eat or sleep

when you're not with me.
Baby, you're the air I breathe.
This is critical, yeah.
So stuck on you.

Used to run and hide.
Used to back out of love.
But I can't escape this time.
Oh no.

This is critical,
I am feeling helpless.

So hysterical, this can't be healthy.
I can't eat or sleep
when you're not with me.
You're the air I breathe.
This is critical, yeah.

Baby it's so critical, (critical)
it's so critical, yeah.
I don't like it.
It's so critical, (critical)
it's so critical, yeah
So stuck on you.
