(Oh, Oh! Oh, Oh! Oh, Oh!)
(Oh, Oh! Oh, Oh! Oh, Oh!)

I'm calling you out, calling you out
So you can see what's going on.
Breaking me down, breaking me down
'Cause I can see that something's wrong.

Your body is moving
But your mind is somewhere else
And I don't know how to get there
It's like you're losing yourself

(Oh, oh)
No, I never thought it would come this far
(Oh, oh!)
Got enough for me to break my heart
(Oh, oh)
When the music stops
Promise me that you won't let it go
Just keep dancing until tomorrow

Calling you out, calling you out
'Cause I can see we're near the end
Letting me down, letting me down
It's like we're back to one again

Your body is moving
But your mind is somewhere else
And I don't know how to get there
It's like you're losing yourself

(Oh, oh)
No, I never thought it would come this far
(Oh, oh!)
Got enough for me to break my heart
(Oh, oh)
When the music stops
Promise me that you won't let it go
Just keep dancing until tomorrow

(Oh, oh)

No, we're not gonna stop when they hit the lights
(Oh, oh!)
When the rest is gone, you're the one thing right
(Oh, oh)
When the music stops
Promise me that you won't let it go
Keep dancing until tomorrow

(Oh, oh!) Yeeeaah
(Oh, oh!) Hey! Oh!
Ohhh ohhhh!

(Oh, oh)
No, I never thought it would come this far
(Oh, oh!)
Got enough for me to break my heart
(Oh, oh)
When the music stops
Promise me that you won't let it go
Just keep dancing until tomorrow

(Oh, oh)
No, we're not gonna stop when they hit the lights
(Oh, oh!)
When the rest is gone, you're the one thing right
(Oh, oh)
When the music stops
Promise me that you won't let it go
Keep dancing until tomorrow

(Oh, oh!) Yeeeaah
(Oh, oh!) Hey! Oh!
Ohhh ohhhh!
Oh baby...
Baby...
Keep dancing until tomorrow

(Oh, oh)
No, we're not gonna stop when they hit the lights
(Oh, oh!)
When the rest is gone, you're the one thing right
(Oh, oh)
When the music stops,
Promise me that you won't let it go
Keep dancing until tomorrow
