Jonas Brothers Dear God Lyrics

Oohhh
Dear God
I hate to be a bother
But I got to say
This world is getting crazier with every day
I hope You'll hear me out now as I stop and pray

Dear God
People take Your words and try to twist them 'round
I know You can't be happy with what's going down
I'm searching for some answers
But they can't be found
Can You help me out?
Dear God
Oohhh

Dear God
Just the other night I heard somebody say
"What's the use believing in You anyway?"
I guess it was just heartache talking through the pain
It's a crying shame

Dear God
I know You're disappointed in the things we've done
Can't they see the truth that they're all running
from?
Try to preach your message with a loaded gun
What they thinking of?
Dear God

Oohhh
Oohh

Seems like, Everybody's searching for an easy
solution
Yeah
They can't see beyond, the selfish world they're
living in
Your words of love get lost in all the confusion
Yes they do

But I still believe
Someday You're going to speak to me

Dear God
I know You've got a million other calls to take
You're dealing with a lot of things that just won't wait
But there is one request that I just got to make

Oohhh whoa
Dear God
Won't You send a sign down, just to ease my doubt
I'm trying to hear you but the silence is just too loud
I think I see a rainbow from behind the clouds
And I hear You now,
Dear God.
