[Verse 1]
I'm hot
You're cold
You go around
Like you know
Who I am
But you don't
You've got me on my toes

[Chorus]
I'm slippin' into the lava
And I'm tryin' to keep from going under
Baby, who turned the temperature hotter
'Cause I'm burnin' up
Burnin' up for you baby

C'mon girl

[Verse 2]
I fell (I fell)
So fast (so fast)
Can't hold myself... back
High heels (high heels)
Red dress (red dress!)
All by yourself

Gotta catch my breath!

[Chorus]

I'm slipping into the lava
And I'm tryin' to keep from going under
Baby, who turned the temperature hotter
'Cause I'm burnin' up
Burnin' up for you baby

[Bridge]

Walk in the room
All I can see is you
Oh, starin' me down
I know you feel it too

[Chorus]

I'm slippin' into the lava
And I'm tryin' to keep from going under
Baby, who turned the temperature hotter
'Cause I'm burnin' up
Burnin' up for you baby

[Chorus]

I'm slippin' into the lava
And I'm tryin' to keep from going under
Baby, who turned the temperature hotter
'Cause I'm burnin' up
Burnin' up for you baby
