Feeling like you've lost your way
See that you've had better days
You dont know why.

Everything seems way too hard
You start to wonder who you are and why you try.

I understand the way you feel
and I can help you keep it real
and help you seen everything you're missing here
Help you take away your fear and set you free.

Find a way back to your heart.
That's a start.
That's where the answers are.

(Chorus):Don't walk away from what you once believed.
Just call my name and I will help you see.
Keep your head up, keep your game on.
Don't turn your back on faith.
Don't walk away.

I know that life can be so hard.
people they may tear you apart and turn you round.

I will be here for you always. All you gotta do is call my
name out loud.

Find a way back to your heart.
That's a start.
That's where the answers are.
(Chorus)

(Bridge):Don't you walk away.
You will find away.
Don't you walk away.
I know that life will test your faith.
Don't you walk away.
I'll help you find your way.
Don't walk away.

Don't walk away. You can call my name. I

can help you, help you figure it out. Dont you walk away
you can call my name. I can help you, help you turn it
around.

In your heart is where the answers are. Don't turn your
back on your faith.

(Chorus)

Don't walk away from what you once believed. Don't
you walk away.
