Heee heey  
This is the night  
This is the night

Heee heey  
Feeling alive  
Feeling alive

My heart goes boom as the stars go blue,  
Like a sea of cell phone lights.  
The moon is light as the sun goes down,  
Somewhere behind the Hollywood sign.  
Have you ever felt like you're living in the shadows,  
Have you ever felt kept out.  
I know sometimes that it feels like a battle,  
But it can turn around.

Heee heey  
This is the night  
This is the night

Heeeheey  
Feeling alive  
Feeling alive

The kick drum starts as the boulevard,  
Fills up with all the boys and the girls.  
From Jersey town, to the LA crowd,  
They're hearing us all over the world.  
Have you ever felt like standing on a roof top,  
Have you ever wanted to scream.  
Everybody dance burning up till we blast off,  
Just like a rocket machine, yeah!

Heee heey  
This is the night  
This is the night

Heee heey  
Feeling alive  
Feeling alive

Cause we're not alone tonight,  
Just put up your hands and touch the sky.  
Cause we're not alone tonight,  
Ohowooh.

Heee heey  
This is the night  
This is the night

Heee heey  
Feeling alive  
Feeling alive

Heee heey  
This is the night  
This is the night

Heee heey  
Feeling alive  
Feeling alive

Heee heey  
This is the night  
This is the night

Heee heey  
Feeling alive  
Feeling alive

Heee heey  
This is the night
