"Fly With Me"

If time were still
The sun would never never find us
We could light up
The sky, tonight
I would see the world through your eyes
And leave it all behind

If it's you and me forever
If it's you and me right now
That'd be alright
Be alright
We're chasing stars to lose our shadow
Peter Pan and Wendy turned out fine
So, won't you fly with me

Oh yeah
Gonna fly with me now

Now the past
Has come
And I've been given meaning
And a reason
To give all I can
To believe once again

If it's you and me forever
If it's you and me right now
That'd be alright
Be alright
We're chasing stars to lose our shadow
Peter Pan and Wendy turned out fine
So won't you fly with me

Maybe you were just afraid
Knowing you were miles away
From the place where you needed to be
And that's right here with me

If it's you and me forever
If it's You and me right now
That'd be alright
If we're chasing stars to lose our shadow

Peter Pan and Wendy turned out fine
So won't you fly with me

If it's you and me forever
If it's you and me right now
That'd be alright
Be alright
If we're chasing stars to lose our shadow
Peter Pan and Wendy turned out fine
So won't you fly
Fly
Fly
With me
