You, you were driving on a Sunday  
You, you like taking off on Monday  
You, you're like a dream, a dream come true

I, in case you haven't noticed  
I, I'm just trying to be honest  
With myself, with you, with the world

And you might think that I'm a fool  
For falling over you  
And tell me what I can do to prove to you  
That it's not so hard to do  
Give love a try, one more time  
Cause you know that I'm on your side  
Give love a try, one more time

In your eyes, when I saw them for the first time,  
I knew that I was gonna love you for a long time  
With a love so real, so right

'Cause you might think that I'm a fool  
For falling over you  
And tell me what I can do to prove to you  
That it's not so hard to do  
Give love a try, one more time  
Cause you know that I'm on your side  
Give love a try, one more time

When you left I was lonely  
Oh so lonely  
Wish I could go back  
And start all over again

How did it play out like a movie,  
Now every time it's beat can move me,  
And I can't get your smile off my mind...

Cause you might think that I'm a fool  
For falling over you  
So tell me what I can do to prove to you  
That it's not so hard to do  
Give love a try, one more time

Cause you know that I'm on your side  
Give love a try, one more time  
Yeah, Yeah, Oh  
One more time
