"Goodnight, Goodbye"

This has been a walk in the park
I feel like we have fallen apart
Open up your eyes girl and see
How wonderful this love could be

Hold on tight
Its a roller coaster ride we're on
So say goodbye cause
we won't be back again
Up and down
You're all around
Say goodnight and goodbye

Lalala lalalala lalalalalalala

You say you didn't mean to break
My heart but girl you did, Well I'm over it
Adieu to you and all your games
And all your crazy fans
This is the end

Hold on tight
Its a roller coaster ride we're on
So say goodbye
Cause we won't be back again
Up and down
You're all around
Say goodnight and goodbye

Lalala lalalala lalalalalalala

Well girl, I'm sorry for disappointing you
But I'm done
With being up and down and pushed around
No more

Hold on tight
Its a roller coaster ride we're on
So say goodbye
Cause we won't be back again
Up and down

You're all around
Say goodnight and goodbye

Hold on tight its a roller coaster ride we're on
Say goodbye
Cause we won't be back again
Up and down
You're all around
Say goodnight and goodbye
