Hey there pretty lady
Tell me how you doing
Tell what can I do to help
Cause I've been
Thinking of you
For a little while now
This right here
Is how I feel

Girl
You got me goin' crazy
Knocked me off my feet
Now you got me beggin' baby
Beggin' baby, please
All I wanna know
Is do you wanna get away
Get away with me
Cause girl
I don't know what to do
Cause I'm so
In love with you

Head over my heels
Yeah I know how I feel
Girl
You know that I'm in love
Oh, I was so lonely
Now I know you love me
This right here
Is how I feel

Woah

Girl
You got me goin' crazy
Knocked me off my feet
Now you got me beggin' baby
Beggin' baby, please
All I wanna know
Is do you wanna get away
Get away with me
Cause girl

I don't know what to do
Cause I'm so
In love with you

C'mon

All I wanna know
Is do you wanna get away

Yeah

Girl
You got me goin' crazy
Knocked me off my feet
Now you got me beggin' baby
Girl, I'm on my knees
All I wanna know
Is do you wanna get away
Get away with me
Cause girl
I don't know what to do
Cause I'm so in love
So in love
So in love with you
