### "Gotta Find You"

*[Joe Jonas]*

Every time I think I'm closer to the heart  
What it means to know just who I am  
I think I finally found a better place to start  
No one ever seems to understand  
I need to try to get to where you are  
Could it be you're not that far?

You're the voice I hear inside my head  
The reason that im singing  
I need to find you  
Gotta find you  
You're the missing piece I need  
The song inside of me  
I need to find you  
I gotta find you  
Oh yeah  
Yeah

You're the remedy im searching hard to find  
To fix the puzzle that I see inside  
Painting all my dreams the color of your smile  
When I find you it will be alright  
I need to try to get to where you are  
Could it be you're not that far?

You're the voice I hear inside my head  
The reason that im singing  
I need to find you  
Gotta find you  
You're the missing piece I need  
The song inside of me  
I need to find you  
Gotta find you

Been feeling lost  
Can't find the words to say  
Spending all my time stuck in yesterday  
Where you are is where I wanna be

Next to you, you next to me  
Oh  
I need to find you  
Yeah

You're the voice I hear inside my head  
The reason that im singing  
I need to find you (need to find you)  
Gotta find you (yeah)  
You're the missing piece I need  
The song inside of me  
I need to find you  
Gotta find you (I gotta find you)

You're the voice I hear inside my head  
The reason that im singing  
I need to find you (need to find you)  
Gotta find you (gotta find you)  
You're the missing piece I need  
The song inside of me  
I need to find you  
Gotta find you  
Yeah  
Gotta find you
