Hey Baby  
Why you treating me bad  
Hey darling,  
You know you make me mad  
Going crazy,  
Trying to figure out why you are leaving,  
Give me a reason

Say that you need me,  
I know you deceived me,  
The lines that you feed me  
Wont leave you alone

Please don't ask me to go,  
I'm already gone, I'm already gone  
Please just leave me alone,  
I'm already gone, I'm already gone

Hey Baby,  
What's the matter with you  
Hey darling, you know your love isn't true  
Going crazy  
Trying to figure out why you are leaving,  
Give me a reason

HEY BABY  
Why you being a fool  
Hey darling  
Always been good to you  
Going crazy  
Trying to figure out why you are leaving,  
Give me a reason

Say that you need me,  
I know you deceived me,  
The lines that you feed me  
Wont leave you alone

Please don't ask me to go,  
I'm already gone, I'm already gone  
Please just leave me alone,  
I'm already gone, I'm already gone

Hey Baby  
Why treating me bad  
Hey darling  
Why you making me mad  
Going crazy,  
Trying to figure out why you are leaving,  
Give me a reason

Say that you need me,  
I know you deceived me,  
The lies that you're feeding  
Will leave you the feeling of misery,  
Baby I'm terribly sorry  
I need you to leave me alone

Please don't ask me to go,  
I'm already gone, I'm already gone  
Please just leave me alone,  
I'm already gone, I'm already gone
