Isn't it strange  
Ain't it a shame  
People walking down broadway  
Begging for change  
We just walk by  
Don't hear that they're crying  
We just keep on typing on our two ways  
Oblivious to other people's pain

Gotta open up our eyes  
Gotta read between the lines  
Gotta listen to the sound

Cuz this is life  
It's harder than it looks  
You never get enough  
The time  
Keeps flying  
In life  
You only get one shot  
So give thanks for what you've got right now  
Don't you worry  
Hey we're gonna be alright  
we're gonna be alright  
Gonna be alright yea  
Woo  
Hey hey hey

You feel so alone  
Your problems at home  
They always seem to follow you wherever you go  
Caught in a daze  
You wish you could change  
But you always tell yourself  
That hopes seems a million miles away

Gotta wake up from your sleep

Gotta stay awake to dream  
Gotta open your heart and believe  
Oh

Cuz this is life  
It's harder than it looks  
You never get enough  
The time  
Keeps flying  
In life  
You only get one shot  
So give thanks for what you've got right now  
Don't you worry  
Hey we're gonna be alright  
Hey we're gonna be alright  
Gonna be alright yea  
Hey hey hey

One two three yea  
It's a roller coaster life  
Up and down and side to side  
Just shout to get it right

Cuz this is life  
It's harder than it looks  
You never get enough  
The time  
Keeps flying  
In life you only get one shot  
So gives thanks for what you've got right now  
Don't you worry  
Hey we're gonna be alright  
Hey we're gonna be alright  
Gonna be alright yea  
Hey hey hey  
Woo  
Ha!
