Think about it,
There must be higher love.
Down in the heart or hidden in the stars above.
Without it,
Life is wasted time.
Look inside you're heart and I'll look in mine.

Things look so bad everywhere.
In this whole world what is fair?
We walk the line and we try to see.
Falling behind what could be?

Bring me a higher love.
Bring me a higher love.
Ohh
Bring me a higher love.
Where's that higher love I keep thinking of?

The world is turning,
And we're just hanging on.
Facing our fear,
Standing out there alone.
Yearning, and it's real to me.
Must be someone
Who's feeling for me.

Things look so bad everywhere.
In this whole world what is fair?
We walk the line and we try to see.
Falling behind what could be?

Bring me a higher love.
Bring me a higher love
Ohh
Bring me a higher love.
I can rise above on higher love.

I will wait, for it.
I'm not too late for bed.
Until then I'll sing my song.
To cheer the night along.

Bring me a higher love.
Bring me a higher love
Ohh
Bring me a higher love.
Where's that higher love I keep thinking of?

Bring me a higher love.
Bring me a higher love
Ohh
Bring me a higher love.
Where's that higher love I keep thinking of?

Bring me a higher love. (Bring me a higher love)
Bring me a higher love.
Ohh (Whoo!)
Bring me a higher love. (Bring me a higher love)
Bring me a higher love.

Bring me a higher love.
Bring me a higher love
Ohh
Bring me a higher love.
Bring me a higher love
Ohh.
