As time was ticking
We were winning
And it all was going as planned
Politicians stand between the lines
Of making headlines, street signs
Saying you're going the wrong way
Fading faster now

You can try to break us
And make us fall apart
But the fires in our hearts
Reminisce on memories cuz we're gone
And don't forget to
Hold back your thoughts
And live like robots
Cuz we all know what goes on
Reminisce on memories cuz we're gone
We're gone, so gone

Fallen soldiers, all around us
But we're still standing strong
Embarrassing and contradicting
Cuz now we're making headlines, primetime
Saying what a story!
Billboards, packed tours
Don't forget

You can try to break us
And make us fall apart
But the fires in our hearts
Reminisce on memories cuz we're gone
And don't forget to
Hold back your thoughts
And live like robots
Cuz we all know what goes on
Reminisce on memories cuz we're gone
We're gone, so gone

And game over, you're done
Out of left field we won
Pack our bags
Yeah, we'll run

Hollywood here we come

You can try to break us
And make us fall apart
But the fires in our hearts
Reminisce on memories cuz we're gone
And don't forget to
Hold back your thoughts
And live like robots
Cuz we all know what goes on
Reminisce on memories cuz we're gone
We're gone

You can try to break us
And make us fall apart
But the fires in our hearts
Reminisce on memories cuz we're gone
