I met you in a dream
And your piercing eyes were staring at me
I can't believe this feeling
You make me feel so much that
I want you always near me
Is this really what it seems?

CHORUS 1

Don na, don na omoi mo
Sugu kimi ni todokete ikuyo
Kitto, kitto sono mune
Hiraite kureru yone
(Dan dan dan) Konran shi hajime
(Dan dan dan) Ku, kurushii kurai
(Dan dan dan) Koko ni oide
I need you, I want you
I got to have you
This infatuation
Love, I've finally found anew
And it came to me in such a vision
Now I know I need you so
You make me [???] like crazy
I really feel you baby
I see an angel in your eyes

CHORUS 2

Don na, don na omoi mo
Sugu boku ni uchi atete ne
Kitto, kitto sono mune
Uketomete ageru kara
(Dan dan dan) Konran shi hajime
(Dan dan dan) Ku, kurushii kurai
(Dan dan dan) Koko ni oide
I need you, I want you
I got to have you
This infatuation
If fire falls down from the sky
If the all the rivers should run dry
If false turns out to be true
You'll know that I will find you
Because our love is destiny
Baby, baby
CHORUS 1 REPEAT
This infatuation

You'are my love frustation
