(Verse 1)

When I go to the refrigerator
All I want is the yoohoos

(Chorus)

La-la-la-la-la-la
This is my monologue (monologue)

(Verse 2)

I'm like were are the yoohoo's?
My mom's like were are the tissues?

(Verse 3)

And I'm like what do you need a tissue for?
And she's like cause I hit my finger on the door?
And I'm like did it hurt?
And she's like no because I'm SuperWomen

(Chorus)

La-la-la-la-la-la
This is my monologue (monologue)
La-la-la-la-la-la
That was Joe's monologue, monologue, monologue
