You dream of the day
When the songs that you play
Are blasting through the speakers in your car
And it comes in a flash
And you hear the crowd
Screaming out your name for the encore

Living life
Life in the fast lane
Not that bad
No we can't complain
Whose to say
That we won't keep it real
Hold on tight
Don't you dare let go
Nows the time to let the whole world know
You can shine bright but still keep it real

Who could know
That you would be on the road
Selling out the tickets to your show
And when your home
Your still the one
Where you were before you left to go tour

Living life
Life in the fast lane
Not that bad

No we can't complain
Whose to say
That we wont keep it real
Yeah
Hold on tight
Don't you dare let go
Nows the time to let the whole world know
You can shine bright but still keep it real

Did you ever think your dreams
And all you did was just believe

Living life

Life in the fast lane
Not that bad
No we can't complain
Whose to say
That we won't keep it real

Yeah

Living life
Life in the fast lane
Not that bad
No we can't complain
Whose to say
That we won't keep it real
Hold on tight
Don't you dare let go
Nows the time to let the whole world know
You can shine bright but still keep it real
