[All Three]

We're the kids

We're the kids

We're the kids of the future [x2]

[Joe]

Standing on a dirty, old rooftop

Down below the cars in the city go rushing by

I sit here alone and I wonder why

Come on Lewis, keep moving forward

Hold your head up high

There's no time for looking down

You will not believe where we're going now

[Nick]

Here we go, let me remind you

Look ahead, the past is behind you

[All Three]

[Chorus]

We're the kids of the future, whoa!

We're the kids of the future, whoa!

Everybody live 'cause the future is now!

[Joe]

Bright lights, boy, look around you

Your imagination is working overtime

The world that you've dreamt of has now arrived

Hot shot, the greatest adventure

Is where the family you've searched for

Comes alive

So come meet the Robinsons

[Nick]

Looking for a place you belong to

Looking for a family that wants you

[Chorus]

We're the kids of the future

Woah

We're the kids of the future

Woah
Everybody live cause the future is now

[Chorus]
Na na na na na na na
Na na na na na na
Na na na na na na na
SING!
Na na na na na na

[Joe]
Everyday we have fun me and Wilburd
So happy to be here with the Robinsons
I finally feel I can be someone

Outside a new day is dawning
Outside the demon is rolling everywhere
I know that it's right because

[Nick]
We'll save the future together
This family's forever

[Chorus]
We're the kids of the future
Woah
We're the kids of the future
Woah
Everybody live cause the future is now

[Chorus]
Na na na na na na na
Na na na na na na
Na na na na na na na
SING!
Na na na na na na

[All Three]
We're the kids
We're the kids
We're the kids of the future [x4]
