She's got a smile
That I die for
Everyone knows that I'm
A prisoner of war
For her
Yeah

Sometimes I wish
I had a kung-fu grip
I'd never let her slip away
She'd be my girl
I really wish she knew
What I feel is true
She'd be my doll
And I would be her hero too

I'm so in love with her
I don't care who knows that I'm
Ready to fight
Ready to go
Just like a GI Joe

Sometimes I wish
I had a kung-fu grip
I'd never let her slip away
She'd be my girl
I really wish she knew
What I feel is true
She would be my doll
And I would be her hero too

Sometimes I wish
I had a kung-fu grip
I'd never let her slip away
She'd be my girl
I really wish she knew
What I feel is true
She would be my doll
And I would be her hero too
She'd be my doll
And I would be her hero too
She'd be my doll

And I would be her hero too
