[VERSE 1]

Oh, we're breakin' up  
It's so easy  
Now, we're making faces  
Just to get back together

[BRIDGE]

Oh, when the color turns to grey  
When the color fade away  
We just get over it  
And start again

[Chorus]

Oh, when we fight we look away  
What's in our mind baby?  
Why, do you have to look away?  
Yeah us, we're the one who's different  
We're the one who's meant to be  
But why, do you need to look away?

Look away, baby why?

[VERSE 2]

Oh, my intensions breaking down  
It's so hard to believe it  
I say now, we're letting lies  
Make up our mind

[BRIDGE]

Oh, tell me what is in to you  
Tell me what are you hiding  
Let's just get over it  
And start again

[Chorus]

Look away  
When the color turns to grey  
When color fade away  
Tell me what is in to you  
Tell me what are you hiding  
We look away

[Chorus 2x]
