Young hearts
I believe that we are not far
From becoming who we truly are
Love is on its way

Dreamers
You see everything in color
While the world is getting darker
Love is on its way

So hold on another day
'Cause love is on its way
You'll find it's gonna be okay
'Cause love is on its way

It's alright you'll find a brighter day
'Cause love is on its way

Leaders
Show us how to love each other
It could help us to recover
Love is on its way

Lonely
I believe that you will find me

And together we will truly see
Love is on its way, yeah

So hold on another day
'Cause love is on its way
You'll find it's gonna be okay
'Cause love is on its way

It's alright you'll find a brighter day
'Cause love is on its way

Yeah!
Yeah!

Hold on another day
'Cause love is on its way

You'll find it's gonna be okay
'Cause love is on its way

It's alright you'll find a brighter day
'Cause love is on its way
'Cause love is on its way
'Cause love is on its way
