I make up one more lame excuse,  
Why can't I come out tonight?  
I'm not trying to cut you loose;  
I just need some time

(Oooh Ooh Ooh)

I'm feeling love sick, but I don't mind  
You're the one I think about, everyday and every night  
Oh... call the doctor I'm love sick!  
Yeah... I'm love sick

Going back here for so long,  
And you're getting over,  
Waiting on me to be strong  
And you start to wonder!

(Oooh Ooh Ooh)

I'm feeling love sick, but I don't mind  
You're the one I think about, everyday and every night  
Oh... call the doctor I'm love sick!

I'm feeling love sick  
But I don't mind  
You're the one that  
I think about all the time

(Oooh Ooh Ooh)

I'm feeling love sick, but I don't mind  
You're the one I think about, everyday and everynight  
Oh! call the doctor I'm love sick!...  
Whoo!

You're the one I think about, everyday and everynight  
Oh! call the doctor I'm love sick!  
Yeahw!
