Get a rep for breakin' hearts
Now I'm done with Super Stars
And all the tears on her guitar
(I'm not bitter)
Now I see
Everything I'd ever need
Is the girl in front of me
She's Much Better

I wanna fly with (you)
Tear up the sky with (you)
You're much better
I wanna fight with (you)
Make up tonight with (you)
You're much better

Now I've got some enemies
And they're all friends suddenly
BFF's eternally
But I'm not bitter
I believe
That the road that people lead
Helps you find the one you need
You're much better
Yeah

I wanna fly with (you)
Tear up the sky with (you)
You're much better
You're much better, girl
I wanna fight with (you)
Make up tonight with (you)
You're much better
Yeah!

I wanna fly with (you)
Tear up the sky with you
(Oh!)
You're much better
I wanna fight with you
Make up tonight with you

(Oh!)
You're much better
You're much better girl!
Oooo ooo oo!
Yeah!
I wanna fly with youuu!
Ohhh
You're much better
You're much better girl!
You're much better
